

The Association for Nepal and Himalayan Studies announces the

Dor Bahadur Bista Prize
For best graduate student paper

Guidelines

The Association for Nepal and Himalayan Studies (ANHS) annually awards the Dor Bahadur Bista Prize for best graduate student paper submitted to this ANHS competition. The prize honors the life, career, and service of Dor Bahadur Bista, Nepal's first anthropologist and former Honorary President of the ANHS predecessor organization, the Nepal Studies Association (NSA). The purpose of the Prize is to recognize outstanding scholarship by students whose research focuses on the areas of High Asia (Hindu Kush – Karakoram – Himalaya – Tibetan Plateau) that comprise the principal interests of ANHS.

Submissions from all academic disciplines in the social sciences, humanities, and arts will be accepted. All submissions must *not* have been previously published nor be under consideration for publishing at the time of submission. Like all papers submitted to *HIMALAYA*, papers will be peer reviewed and conform to the journal's submission guidelines (see here for details: <https://himalayajournal.org/submit/>). Multiple author papers are acceptable, provided that the graduate student applicant is the first author.

Eligibility is restricted to graduate students in good standing who do not hold the degree of PhD as of the submission deadline. Undergraduates, even those who have written honors theses, are *not* eligible to apply.
