

Senior Fellowship Award

Qualifications & Requirements for Senior Fellowship Award

The Association for Nepal and Himalayan Studies (ANHS) annually awards a Senior Fellowship for the support of short-term research or other scholarly projects that will advance knowledge of the Himalaya-Karakoram-Hindukush regions. The fellowship will support work focusing on any aspect of Himalayan studies. Applicants must hold a PhD or equivalent terminal degree in the arts by the time of submission to be eligible.

The application deadline is April 15, 2017 with an anticipated award date of mid-May, 2017. The project or research must be completed by May 2018. All applicants must be members of the Association at the time of application, either individually or through their association with an institutional member organization. The award is \$1,500, and will be paid out after the brief project report is received upon completion of research.

The awarded fellow will be responsible for obtaining visa and research permission as necessary.

Applicants should provide the following:

- 1) A current CV.
- 2) Research or project proposal that should include the following:
 - a) Title;
 - b) Brief abstract of the research or project of approximately 250 words for use on the ANHS web site;
 - c) Statement describing the nature of the proposed research or project, including the contribution it will make to Himalayan studies. This should be double-spaced and not exceed 1,500 words;
 - d) Location(s) where the research or project will be conducted and time schedule for its completion; and
 - e) Summary budget (please also note any other grant applications submitted). If travel is involved, please be specific as to costs.

All application material should be sent electronically to:
